

STUDENT RESPONSIBILITY

Wherever you go after you have become identified with your school, you carry its name with you. People will identify you, not only by your name and reputation, but by the name and reputation of your school. The continuing good name of your school is one of your most treasured assets. The Spring Creek Adventist School has high standards by which you are expected to abide. When these principles are accepted and practiced by you, this school becomes the school that God wants it to be.

1. I indicate by my presence that I will abide by the ideals and principles set forth in this guide book and in all other rules and regulations that are made throughout the school year.

2. I will abstain from indecent or disorderly behavior, profane or unbecoming language, and possessing questionable material.

3. I will display Christian courtesy towards all teachers, staff members and fellow students.

4. I will abstain at all times from the use of liquor, tobacco and non-medical drugs.

5. I will abide by the rules made by the teacher from my classroom.

6. I will uphold the Student Safety Policy regarding prohibited items.
